1. In EGMW-4893 you requested certain information with respect to the source of Listeners Reaction Report No. 72-57.  has just furnished us with the following notes on this source, Juan SUAREZ Natoli. The interview with this source was conducted on 27 July 1957. A copy of the interview was channeled to  through the liaison and reporting unit of QKFLOWAGE.  states that prior to leaving Spain in the spring of 1957 he had made arrangements with a QKFLOWAGE official to continue to receive copies of the QKFLOWAGE interview reports. After  returned to Munich he received a few copies of these QKFLOWAGE reports but after a while they stopped coming. The report by SUAREZ Natoli was one of those which UNFAVOR received before the supply ceased.

2.  has also furnished us with a note to the effect that Listeners Reaction Reports 82 to 89-57 have as their source a Captain DUPOUX who was at one time a student of Professor Jean TRAIN. DUPOUX was attached to the French Military Attache in Moscow for a period of about a year beginning in June 1956. He was introduced to  by Professor TRAIN.

3. Finally  has informed us that the source of recent report #91-57 is B. NIELSEN-STOKKEBY, DPA correspondent in Moscow.

4. You have also asked in EGMW-4893 whether all the sources listed in ECMA-28743 were interviewed by TPLINGO personnel in Spain. The answer to this is contained generally in paragraph 1. - some QKFLOWAGE interviews were transmitted to  after his departure from Spain; Listener Reaction Report #72-57 is a case in point. In addition, the following reports were received after the departure from Spain:
